ABOUT ME

Experienced Web Developer with expertise in crafting responsive websites and optimizing them for search engines. Skilled in HTML, CSS, JavaScript, and SEO strategies to drive traffic and enhance user engagement.

EXPERIENCE

Teaching   2019-2020

Experienced educator specializing in teaching 12th-grade students. Proficient in delivering tailored lessons, enhancing subject understanding, and preparing students for academic excellence and exams.

Front-End Web Development   2022 -202...

Experienced in front-end web development, I specialize in creating visually appealing and user-friendly interfaces. My expertise includes HTML, CSS, and JavaScript, along with frameworks such as React and Angular. I focus on responsive design to ensure seamless functionality across all devices.

Google Adsence   2023-OnWord

Proficient in managing Google AdSense accounts to monetize digital content. Experienced in implementing ad units, optimizing ad placement for maximum revenue, and analyzing performance metrics. Demonstrated ability to enhance website monetization strategies through targeted advertising and data-driven insights.

SEO Junier Expert   2019-2021

As an SEO Junior Expert, I have a foundational understanding of search engine optimization strategies and best practices. My experience includes keyword research, on-page optimization, and link-building techniques to improve organic search rankings. I am skilled in using SEO tools like Google Analytics, SEMrush, and Ahrefs to analyze website performance and identify growth opportunities.I am dedicated to staying updated with the latest SEO trends and algorithm changes to ensure effective and up-to-date strategies.
